FYI WALLS

CHECK OUT THE "FYI" WALLS ... TONS
OF INFORMATION FOR STUDENTS

REMINDERS...

- DO NOT OPEN ANY LOCKED DOORS AT ANY TIME
(the exception would be for athletic teams/clubs who are letting in members only)
- PLEASE DO NOT PROP DOORS OPEN – EVER

SCHOOL DOORS DO NOT OPEN UNTIL ..

- 7:30 M-T-TH-F
- 8:30 Wednesdays

We are required to have supervision when students are in the building and we only have supervision available from 7:30-3:00.

SCHOOL DOORS LOCK AND HALLS ARE CLEAR BY ...

3:00 EVERY DAY

You must be in a class working, with your coach, or out of the building by this time.

Go to your locker before 3:00 since you must leave out the nearest door when staying in a class or sports after 3:00

ATHLETES ...

... if you are in a sport that does not start at 3:00, speak with your coach to let them know that you cannot be in the building unless you are in a class or they are with you. Ask them what the plan is.

That matters especially on Mondays because there is no Homework Help at 3:00 so no students can be in the building unless they are with their coach.

HATS ...

... cannot be WORN or SEEN during the school day.

That means you don't carry them, lay them on your desk, hang them off your backpack, etc. Please put them in your locker, backpack, or don't bring them.

EARBUDS/HEADPHONES ...

... cannot be USED or SEEN during the school day on campus. This includes before/after school and lunch.

Staff will not be reminding students about this anymore ... if they see them, they will ask for them, put your name on them, and send them to the office. First time, you can pick it up at the end of the day. After that, it's a parent.

You will be sent to the office immediately if you refuse to give your earbuds/headphones to ANY staff member ... be respectful of staff AND the expectations. Just leave them home or keep them out of sight, and you won't have an issue

EXCEPTION ...

Teachers may allow you to use earbuds/headphones in class, but only with their permission.

IF YOU CHOOSE TO GO OUTSIDE FOR LUNCH ...

A reminder you can't come back in and you need to stay in the stadium until released to go back in the building ... it's not safe to be in the parking lot or crowding on the sidewalk.

INDEPENDENT SENIOR PROJECT STUDENTS ...

... there is a mandatory meeting
Thursday morning in the library at the
beginning of 2nd period. You will receive
a note if you have not already.
