Senior Projects

Senior Projects presentations will be rescheduled for a later date.

Details to come!

Proficiency Retakes

Just a reminder that retakes for your last proficiency in any class must be completed within the two week window. Check with your teacher when the final date will be.

**PROFICIENCY
TESTING**

Cafeteria

At lunch we have lots of students in a compact space, so for student safety:

Remember: Once you are finished eating you are to throw away your food and remain seated.

However, you may move to sit with other friends but you must have a seat when you get to where you are going.

Parking Lot Safety

Let's remember to be safe out there.
It is icy and vehicles can hurt people.
Slow down and be cautious.

Watch where you are driving and
walking.

Riding on your friends hood is not
safe or responsible, and is against
the law.

*Don't let your
parking privileges on
campus get revoked.
Please be
responsible.*

Food & Drink

Just a reminder that food must be eaten in Tiger hall and may not be taken to teachers classrooms.

All outside drinks with the exception of water must be disposed of before entering the building.

OHS Entrances

Students need to enter the school through the main doors or the east doors at the end of the 300 hallway. All other entrances are not for student entry.

Please do not open other doors for students in any other areas.
